

The little things can make all the difference. BOC has selected a range of accessories to complement your core tool set and support your everyday tasks, making your job easier and more productive.

# Welding Accessories

- Arc Welding
- Gas Welding

## Arc Welding

| Model            | Part                 | Features   |
|------------------|----------------------|--|
| Tip Guard Paste  | 11037698             | <ul style="list-style-type: none"> <li>• MIG gun nozzle protection compound</li> <li>• Non-toxic, non-flammable, odourless</li> <li>• Paste, 400 g</li> </ul>  |
| Tip Guard Spray  | 11037717             | <ul style="list-style-type: none"> <li>• Anti-spatter and nozzle shield for the welding industry</li> <li>• Specifically designed to provide a safe welding environment</li> <li>• Spray, 410 g</li> </ul> |
| MIG Lube Pads    | 11034014<br>11034015 | <ul style="list-style-type: none"> <li>• Pre-treated replacement pads that reduce friction in wire feed units</li> </ul>   |
| Electrode Holder | 11041039             | <ul style="list-style-type: none"> <li>• Ergonomically designed</li> <li>• Lightweight and easy to use</li> <li>• 400 amps electrode holder</li> </ul>   |
| Ground Clamps    | 11041051             | <ul style="list-style-type: none"> <li>• 300 amps</li> <li>• Brass with braided copper shunt</li> </ul>  |
|                  | 11041053             | <ul style="list-style-type: none"> <li>• 500 amps</li> <li>• Brass with braided copper shunt</li> </ul>  |
|                  | 11041048             | <ul style="list-style-type: none"> <li>• 200 amps</li> <li>• Brass with braided copper shunt</li> </ul>  |
| Cable Solder Lug | 11041120             | <ul style="list-style-type: none"> <li>• Suitable for cable size #1-#00</li> </ul>   |
|                  | 11041121             | <ul style="list-style-type: none"> <li>• Suitable for cable size #6-#2</li> </ul>  |
| Wire Brushes     | 11002133             | <ul style="list-style-type: none"> <li>• Four-row carbon steel-shoe handle</li> </ul>  |
|                  | 11135573             | <ul style="list-style-type: none"> <li>• Three-row carbon steel-long handle</li> </ul>   |
|                  | 11135575             | <ul style="list-style-type: none"> <li>• Four-row carbon steel-long handle</li> </ul>  |
|                  | 11135574             | <ul style="list-style-type: none"> <li>• Three-row stainless steel-long handle</li> </ul>  |
|                  | 11135576             | <ul style="list-style-type: none"> <li>• Four-row stainless steel-long handle</li> </ul>   |
|                  | 11116199             | <ul style="list-style-type: none"> <li>• Four-row stainless steel-shoe handle</li> </ul>   |
| Chipping Hammer  | 11041142             | <ul style="list-style-type: none"> <li>• Spring handle</li> <li>• Steel shaft cone and chisel</li> </ul>   |

## Gas Welding

| Model                       | Part     | Features  |
|-----------------------------|----------|---|
| Single Flint Lighter        | 11041117 | <ul style="list-style-type: none"> <li>• Rounded file spark lighter with replacement flints</li> </ul>  |
| Lighter Shoot-Spark Lighter | 11040479 | <ul style="list-style-type: none"> <li>• Trigger-activated lighter</li> </ul>   |
| Triple Flint Lighter        | 11041128 | <ul style="list-style-type: none"> <li>• Triple-flint lighter is a quality lighter made for the demands of the welding industry</li> <li>• Strong frame and three large flints provides dependable ignition under all weather conditions</li> </ul> |
| Single Flint Renewal        | 11041044 | <ul style="list-style-type: none"> <li>• Single flint round with two renewals</li> </ul>  |
| Triple Flint Renewal        | 11037711 | <ul style="list-style-type: none"> <li>• Replacement flints</li> </ul>  |
| Flat Soapstone Holder       | 11041118 | <ul style="list-style-type: none"> <li>• Steel body, aluminum knob</li> </ul>   |
| Round Soapstone Holder      | 11041119 | <ul style="list-style-type: none"> <li>• Steel body, aluminum knob</li> </ul>   |
| Tip Cleaner                 | 11041127 | <ul style="list-style-type: none"> <li>• In metal case, standard for small and medium, drill size #75-49, 12 tips</li> </ul>  |
